

DAYTON OLE TYME DAYS JEEP AND 4X4 SHOW & SHINE APRIL 22ND 9AM-3PM

Categories to be Judged

2016 Show 'n Shine Competition Your Jeep must remain in the Show 'n Shine area until it is judged. Judges decisions are final. Please remember that our judges are knowledgeable volunteers who are donating their time to make this activity possible. Under no circumstance may a participant initiate a discussion with a judge while the participant's Jeep is being evaluated, unless the judge asks a question of the owner. Failure to comply will result in disqualification from the Show 'n Shine competition. Judges can only evaluate what they can see, so be sure to leave your vehicle open as you wish it to be judged, from the opening of the show until after awards. If your vehicle has modifications which are not readily visible, you should document them in a judge's handbook placed in a visible location. This will help ensure that the judges are aware of all modifications. Signs should be incorporated into the theme of the display to inform spectators of the modifications made to a vehicle and to credit individuals who made the entry possible. At **NO TIME** will careless or reckless driving by exhibitors or unnecessary noise from entries be tolerated; this includes during set-up and tear-down hours.

Judges will be examining these aspects of the participating Jeeps:
